

THE CANOPY

As part of Council's continued support to local businesses, a new business parking scheme for The Canopy car park will commence on **Monday 3 February 2020**.

The Canopy Business Parking Permit Scheme

To provide affordable parking options for local businesses, Council has introduced a yearly business parking permit scheme for **up to 50** business parkers. This scheme allows an **unlimited and unrestricted** use of P4 level of The Canopy car park **seven days-a-week** at a cost of \$1800 p.a. Yearly permits will commence 3 February and applications are available on Council's website.

The Canopy Early Bird Parking

Council will also offer early bird all day parking on P4 level of The Canopy car park Mon-Fri for **\$7.50 per day**; entry prior to 9:30am and exit after 4:00pm.

Please note:

Parking spaces are not guaranteed for Business Parking Permit holders or users of Early Bird Parking. Once Level P4 is full (approx. 140 cars) any car park user parking on other levels will be charged standard car park rates.
