

Rosenthal Project

NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:17

We're growing a new *car* park...

5th September 2018

Dear Resident/Business Owner

This notice is to inform you that ADCO Constructions will be taking delivery of an oversized longreach excavator out of hours. Due to the size of the excavator, we are required to transport the plant outside of our approved DA working hours in order to comply with RMS regulations. Delivery of the oversized plant will occur between the hours of 4-5am on the 7th of September.

Specific works to be undertaken will include:

- Delivery and offloading of a longreach excavator
- Implementation of traffic control measures

Appropriate safety and traffic control measures will be in place to ensure the safety of motorists, pedestrians and workers.

Construction works will not commence during this time, and will resume as per the approved DA working hours.

Noise from these works may be experienced. We will make every effort to minimise this where possible. We apologise for any disturbances that may occur as a result of these works.

Your patience and cooperation is appreciated during this important stage of the project. If you have any questions about these works, or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au

Yours faithfully,

ADCO Community Liaison Manager
