

Rosenthal Project

**NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:25**

We're growing a new *car* park...

29th October 2018

Dear Resident/Business Owner

This notice is to inform you that ADCO Constructions will be working out of hours for the completion of testing of the road base materials to Birdwood and Rosenthal Lanes on the 31st of October 2018. These works will result in partial closures of the lane ways. Traffic control will be in place at this location to manage pedestrian and vehicular access into driveways and buildings.

Specific works to be undertaken will include:

- Partial closure of Birdwood and Rosenthal Lanes
- Operation of excavator
- Testing of road base
- Patching of roads

This work is scheduled for Wednesday 31 October 2018 from 5:30pm till 11:00pm.

To ensure minimal disruption and inconvenience to businesses that use the laneway, neighbouring properties and the public, testing works will be undertaken in portions, with access maintained with appropriate traffic control measures.

Noise from these works may be experienced. We will make every effort to minimise this where possible.

Works after hours may require additional task lighting. Lighting will be positioned to direct light to the work area, however it may be visible to certain residents. We apologise for any disturbances that may occur as a result of these works.

We apologise in advance that these works will result in occasional delay and disruption from time to time to vehicle and pedestrian movements.

Your patience and cooperation is appreciated during this important stage of the project. If you have any questions about these works, or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au

Yours faithfully,

ADCO Community Liaison Manager
