

Rosenthal Project

**NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:3**

We're growing a new *car* park...

1st November 2017

Dear Resident/Business Owner

As outlined in Construction Notification 2, in the first week of November, the project team intend to undertake construction works to upgrade the stormwater water facilities in the area.

In order to accommodate these works, line marking of Rosenthal Avenue will need to occur.

This notice is to inform you that ADCO Constructions will be working out of hours on Rosenthal Avenue to complete line marking.

Specific works to be undertaken include:

- Establishing temporary barricades to the proposed stormwater works area
- Establishing traffic management signage, and controls
- Preparation of the road
- Line marking of the road
- Implementation of the latest changes to parking and traffic arrangements

This work is scheduled for Friday 3 November 2017 between 7:00 pm and 5:00 am.

*Date subject to change due to availability of resources, and inclement weather.

During this initial period the following changes to access will occur:

- Partial road closures to Rosenthal Avenue, to enable line marking of the road
- A new lane structure will take effect upon completion of the works

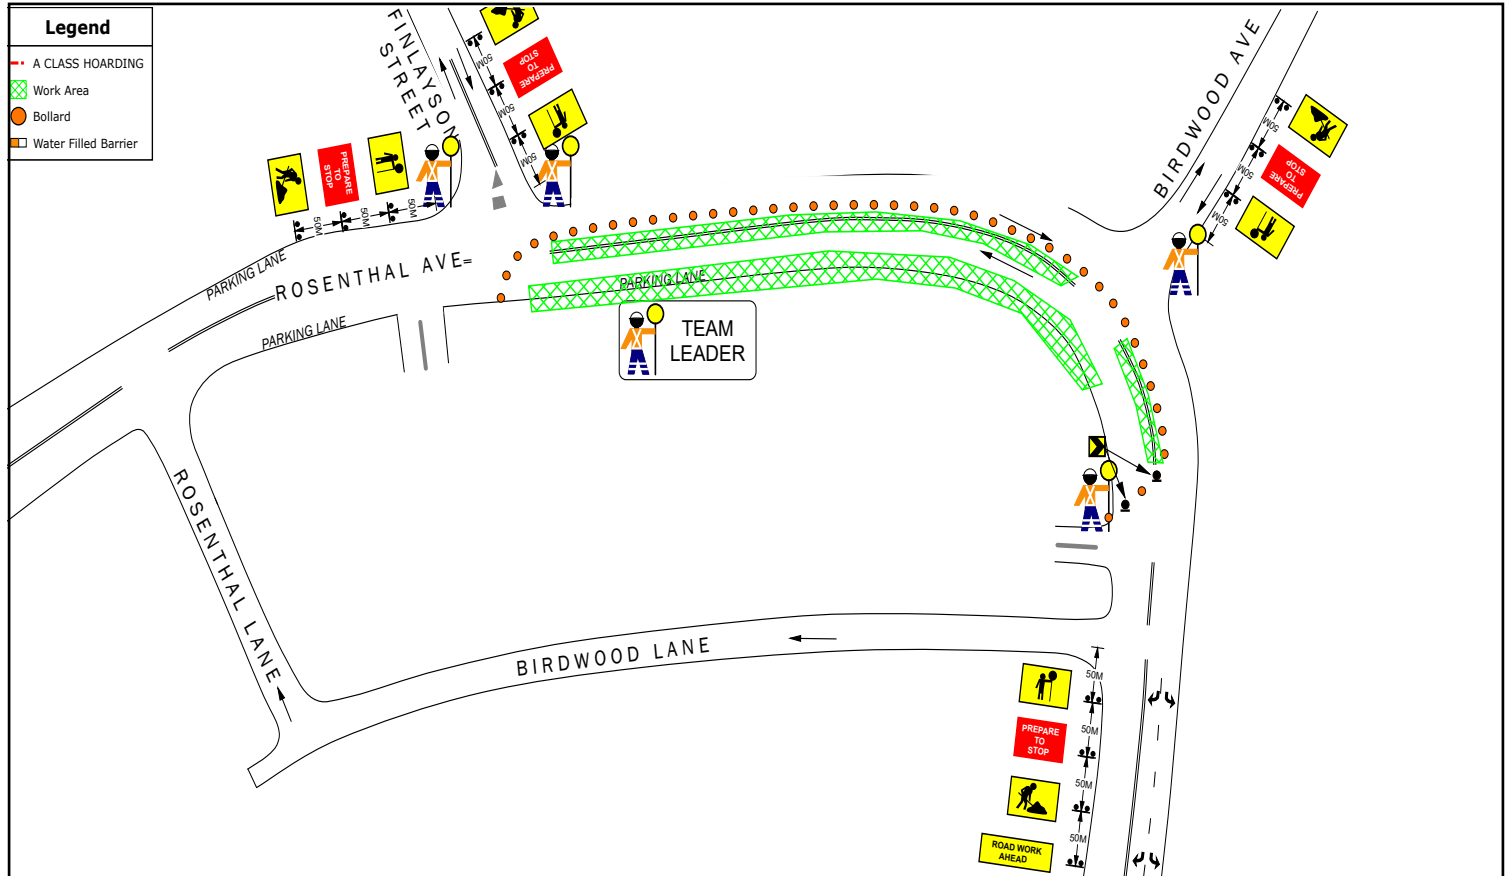

Appropriate traffic management controls will be in place to manage traffic, maintain access to neighbouring properties and keep disruption to a minimum. Partial access along Rosenthal Avenue will be maintained, and so detours will not be required at this stage.

Your patience and cooperation is appreciated while the works are underway. If you have any questions about these works, or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au
