

Rosenthal Project

NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:38

We're growing a new *car* park...

21st February 2019

Dear Resident/Business Owner

Following construction notification 37, concrete pours scheduled for the 20th and 21st of February have been postponed due to wet weather. These works are now scheduled to commence on the 22 and 25 of February. ADCO Constructions may require out of hours works to be undertaken until the concrete pour is completed.

Specific works to be undertaken will include:

- Delivery and pouring concrete
- Operation of concrete trucks, concrete pumps and hand tools

Noise from these works may be experienced. We will make every effort to minimise this where possible.

Works after hours may require additional task lighting. Lighting will be positioned to direct light to the work area, however it may be visible to certain residents. We apologise for any disturbances that may occur as a result of these works.

Your patience and cooperation is appreciated during this important stage of the project. If you have any questions about these works, or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au

Yours faithfully,

ADCO Community Liaison Manager
