

Rosenthal Project

**NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:40**

We're growing a new *car* park...

21st February 2019

Dear Resident/Business Owner

Electrical Network upgrades in and around Rosenthal Ave are scheduled to commence this week, these works will include night works as determined by the relevant authorities i.e. RMS/AUSGRID. These works will impose changes to traffic and temporary diversions of Rosenthal Ave on nights when the works are being undertaken.

What we are doing

- Works will include the provisioning and installation of electrical infrastructure for new substations located at the intersection of Finlayson St and Rosenthal Avenue. Refer to map overleaf.
- These works will involve excavation, jack hammering, saw cutting, and road resurfacing. A small excavator and construction vehicles will be in operation during the excavation of the trench.

When

- Works will commence on **Monday 25 February 2019** to 27 February 2019 (weather permitting).
- All works will take place at night during the approved hours of 9:00pm-5:00am Monday to Friday. In accordance with conditions set by the Roads and Maritime Services it is mandatory for this work to be carried out at night.
- Works will not be undertaken on Saturday, Sunday or public holidays.

What to be aware of

Traffic and Pedestrian Changes

- A contra-flow will be set-up in Rosenthal Ave in the immediate vicinity of the work area. Traffic will be regulated by appropriate implementation of traffic control measures.
- Works will take place near the intersection of Finlayson St and Rosenthal Ave, turn overleaf for location of the work area.
- Pedestrian access along Rosenthal Ave will be managed by traffic control to ensure safe access at all times.
- All vehicle and pedestrian lanes will be returned to normal operation during day time hours.

Noise and vibration

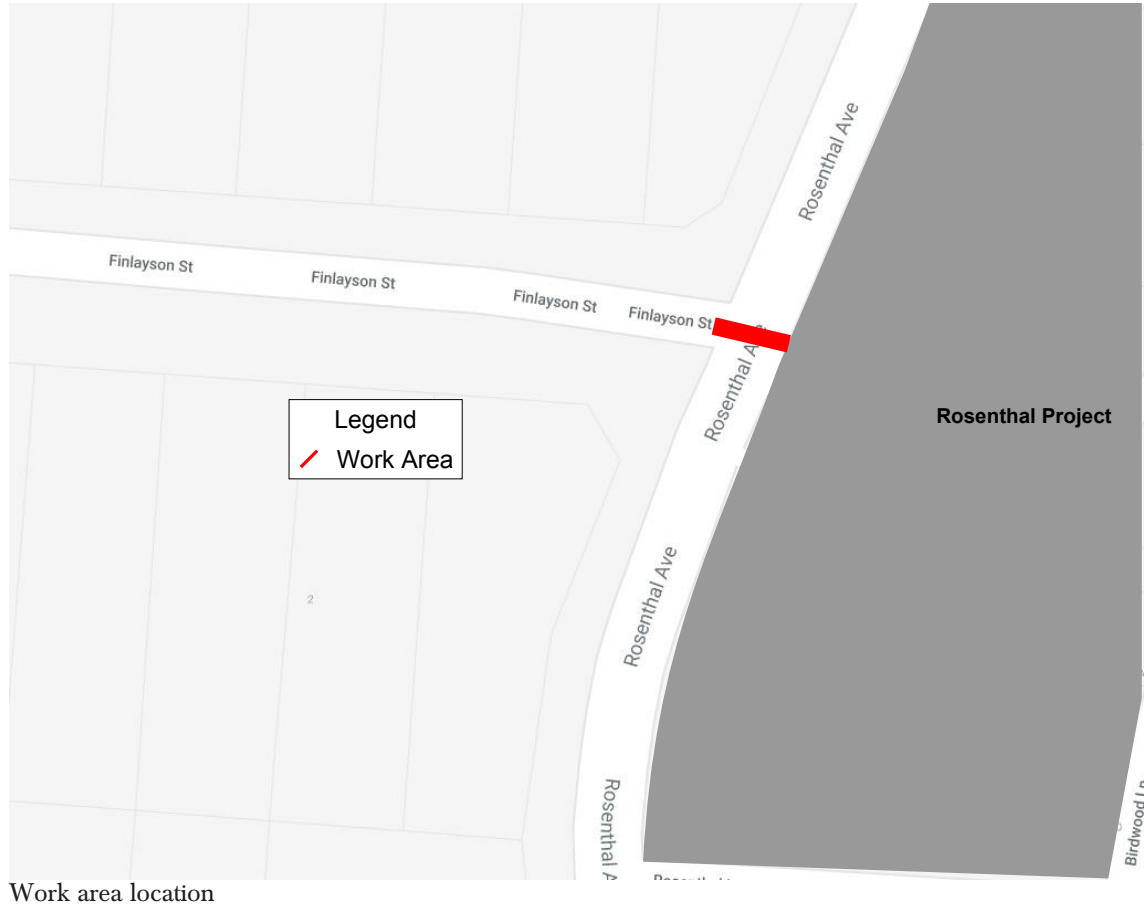

- These works are expected to generate medium levels of noise, and low levels of vibration.

Please find a map overleaf detailing where the works will be taking place.
