

Rosenthal Project

NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:47

We're growing a new *car* park...

8th March 2019

Dear Resident/Business Owner

Upgrades of Ausgrid's infrastructure along Finlayson St will continue over the next few months. As a result, there will be changes to traffic, pedestrian access and temporary diversions along Finlayson Street and Rosenthal Avenue.

What we are doing

- Removing the existing power pole and relocating underground power cables. Note these works will include a power outage during the day, a separate notification will be issued by Ausgrid's subcontractor undertaking these works.
- Construction of the substation, footing and plinth.
- Installation and commissioning of the substation kiosks.

When

- Works will recommence this coming **Monday 11 March 2019** and continue through to June 2019 (weather permitting).
- These works will take place during the approved hours of 7:00am-5:00pm Monday to Friday.
- Works will not be undertaken on Saturday, Sunday, public holidays..

What to be aware of

Traffic and Pedestrian Changes

- A contra-flow will be set-up in the immediate vicinity of the work area. Traffic will be regulated by appropriate implementation of traffic control measures.
- Pedestrian access will be diverted and managed by traffic control to ensure safe access at all times.

Noise and vibration

- These works are expected to generate medium levels of noise, and low levels of vibration.

Your patience and cooperation are appreciated during this important stage of the project.

If you have any questions about these works or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au

Yours faithfully,

ADCO Community Liaison Manager
