We're growing a new *car* park...

28th March 2019

Dear Resident/Business Owner

Upgrades to the local electrical and street lighting network are scheduled for Monday 1 April. Works include the installation of two new street lights to replace the existing street light poles that are currently situated at the Northern end of Rosenthal Avenue. Temporary traffic and pedestrian diversions will be in place during this time. We thank you for your cooperation and understanding.

What we are doing

- Installing two new street lights at the Northern end of Rosenthal Ave, replacing the existing light poles in the street. Refer to map overleaf.
- Works will include; erecting and connecting the light poles in their new position. A hiab truck and construction vehicles will be in operation during these activities.

When

- Works will commence on **Monday 1 April 2019** (weather permitting).
- All works will take place during the approved hours of 9:00am-5:00pm Monday to Friday.
- Works will not be undertaken on Saturday, Sunday or public holidays.
- Please note that the duration of works may change in the event of inclement weather or for other unforeseeable circumstances outside of our control.

What to be aware of

Traffic and Pedestrian Changes

- A contra-flow will be set-up in Rosenthal Ave in the immediate vicinity of the work area. Traffic will be regulated by appropriate implementation of traffic control measures.
- Pedestrian access along Rosenthal Ave will be managed by traffic control to ensure safe access during this time.

Noise and vibration

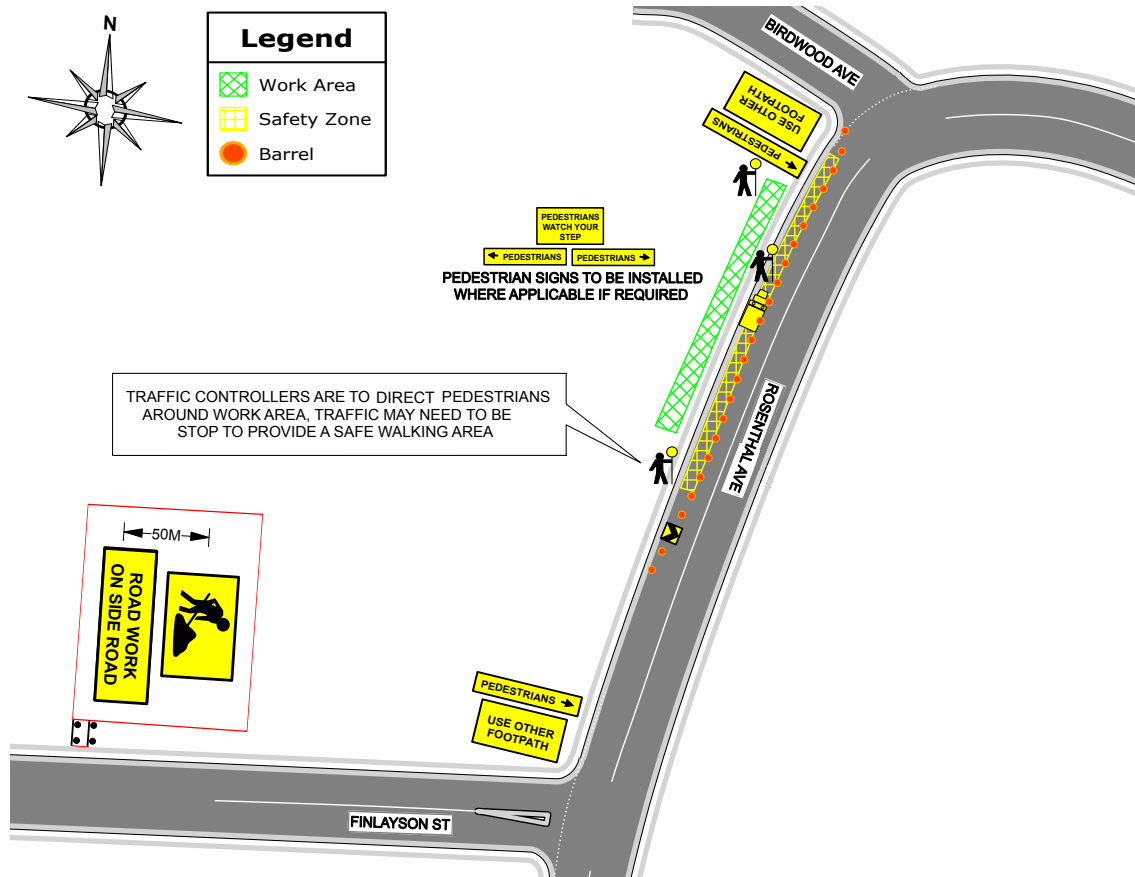

- These works are expected to generate medium levels of noise, and low levels of vibration.

Please find a map overleaf detailing where the works will be taking place at the northern end of the street.
