We're growing a new *car* park...

8th May 2019

Dear Resident/Business Owner

Upgrades to the local electrical and street lighting network are scheduled for Friday 10 May. Works include the removal and installation of street lights currently situated along Rosenthal Avenue and the removal of an old power pole and energisation of a new pole in Finlayson Street. Temporary traffic and pedestrian diversions will be in place during this time. We thank you for your cooperation and understanding.

What we are doing

- Removal and installation of street lights along Rosenthal Avenue, and removal of old power pole and energisation of new pole in Finlayson Street.
- Works will include; decommissioning, dismantling, erecting and/or connecting the light poles. A hiab truck and construction vehicles will be in operation during these activities.

When

- Works will commence on **Friday 10 March 2019** (weather permitting).
- All works will take place during the approved hours of 9:00am-5:00pm Monday to Friday.
- Works will not be undertaken on Saturday, Sunday or public holidays.
- Please note that the duration of works may change in the event of inclement weather or for other unforeseeable circumstances outside of our control.

What to be aware of

Traffic and Pedestrian Changes

- A contra-flow will be set-up in Rosenthal Ave in the immediate vicinity of the work area. Traffic will be regulated by appropriate implementation of traffic control measures.
- Pedestrian access along Rosenthal Ave will be managed by traffic control to ensure safe access during this time.

Noise and vibration

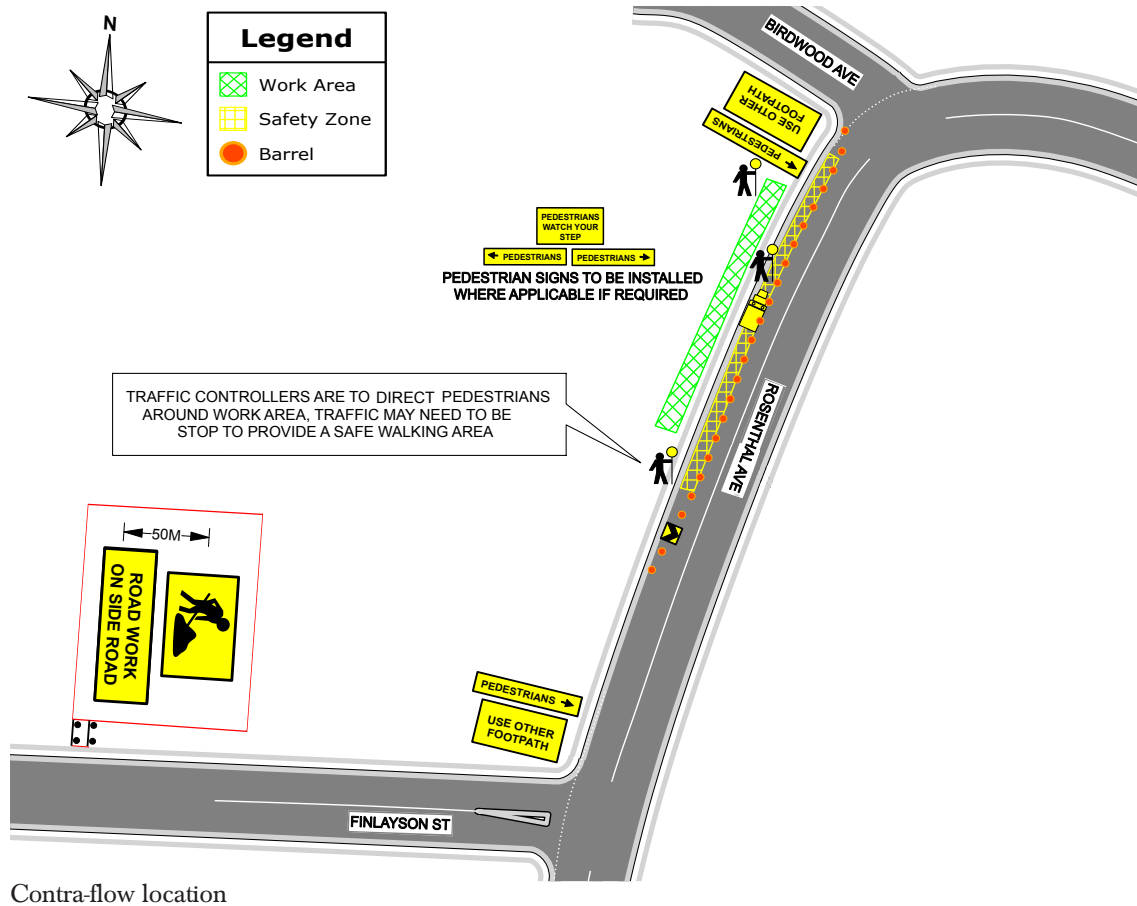

- These works are expected to generate medium levels of noise, and low levels of vibration.

Please find a map overleaf detailing where the contra-flow will be taking place at the northern end of Rosenthal Avenue.
