

Rosenthal Project

NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:59

We're growing a new *car* park...

24th May 2019

Dear Resident/Business Owner

This notice is to inform you that changes to traffic conditions along Rosenthal Avenue are expected from the 28-30 May. A contra-flow will be set-up in order to accommodate for the delivery of escalators and completion of a concrete pour on site. The concrete pour will take place on the 29th May and may require out of hours works to be undertaken until the concrete pour is completed on site.

What we are doing

- Delivery and craneage of large escalators
- Operation of concrete trucks, concrete pumps, finishing equipment and hand tools

When

- Delivery and craneage of escalators will be undertaken on **Tuesday 29 May and Thursday 30 May 2019**.
- Deliveries will take place during the approved hours of 7:00am-5:30pm Monday to Friday.
- Concrete works will commence **Wednesday 29 May 2019** (weather permitting).
- These works will take place from 7:00am, and may require out of hours works to occur until the concrete works are completed
- Works will not be undertaken on Saturday, Sunday, public holidays.

What to be aware of

Traffic and Pedestrian Changes

- Construction vehicles will be set-up on Rosenthal Avenue to allow for the delivery and craneage of escalators to the site, and to accommodate for the amount of concrete required for this pour.
- Traffic will be regulated by appropriate implementation of traffic control measures and will be managed by contra-flow and/or diverted via Finlayson Street/Cox's Lane/Birdwood Avenue.
- Pedestrian access will remain open and managed by traffic control to ensure safe access at all times.

Noise and lighting

- Concrete works are expected to generate medium levels of noise and may require additional task lighting. Lighting will be positioned to direct light to the work area.

We apologise for any disturbances that may occur as a result of these works.

Please find a map overleaf detailing where the works will be taking place.
