

Rosenthal Project

NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:61

We're growing a new *car* park...

31 May 2019

Dear Resident/Business Owner

ADCO will be working out of hours on the 1 of June for the removal of a large excavator from site. Due to the size of the excavator, we are required to transport the plant outside of our approved DA working hours in order to comply with RMS regulations. Collection of the excavator will occur between the hours of 5:00-6:00am. We apologise for any disturbances that may occur as a result of these works.

What we are doing

- Loading and removal of a large excavator from site via the Rosenthal Avenue site gate.

When

- Works will be undertaken on **Saturday 1 June 2019 between 5:00-6:00am.**
- Construction works will not commence during this time, and will resume as per the approved DA working hours.

What to be aware of

Traffic and Pedestrian Changes

- Collection of the plant will occur at the site gate off Rosenthal Avenue.
- Where the oversized plant is to be collected from site, part of Rosenthal Avenue will be temporarily closed for up to five minutes to allow the truck to safely reverse into the site.
- Appropriate safety and traffic control measures will be in place to ensure the safety of motorists, pedestrians and workers.

Noise

- These works are expected to generate low to medium levels of noise.

Your patience and cooperation are appreciated during this important stage of the project.

If you have any questions about these works or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au

Yours faithfully,

ADCO Community Liaison Manager
