We're growing a new *car* park...

27 June 2019

## Dear Residents/Business Owner

As of Monday 1 July 2019, parking will be removed from the southern end of Rosenthal Avenue outside the Church, opposite the Canopy Project to allow for the new traffic lane alignment. A new centreline will be painted which will maintain two-way traffic as we construct the first stage of the stone wall. These changes will take effect for approximately 6 weeks.

### What we are doing

- Delivery and craneage of large stone blocks
- Operation of a small crane and construction vehicles

### When

- Works will be undertaken on **Monday 1 July 2019 for a duration of 6 weeks.**
- Works will take place during the hours of 7:00am to 5:30pm, Saturday 8:00am to 3:00pm
- Works will not be undertaken on Sunday or public holidays.
- Please note that the duration of works may change in the event of inclement weather or for other unforeseeable circumstances outside of our control.

### What to be aware of

#### Traffic and Pedestrian Changes

- Parking along the southern end of Rosenthal Avenue (outside the Church) will be removed.
- Construction vehicles will enter The Canopy site via the gates off Rosenthal Avenue, where traffic will be regulated by the appropriate implementation of traffic control measures.
- Pedestrian access will remain open and managed by traffic control to ensure safe access at all times.

We apologise for any disturbances that may occur as a result of these works.

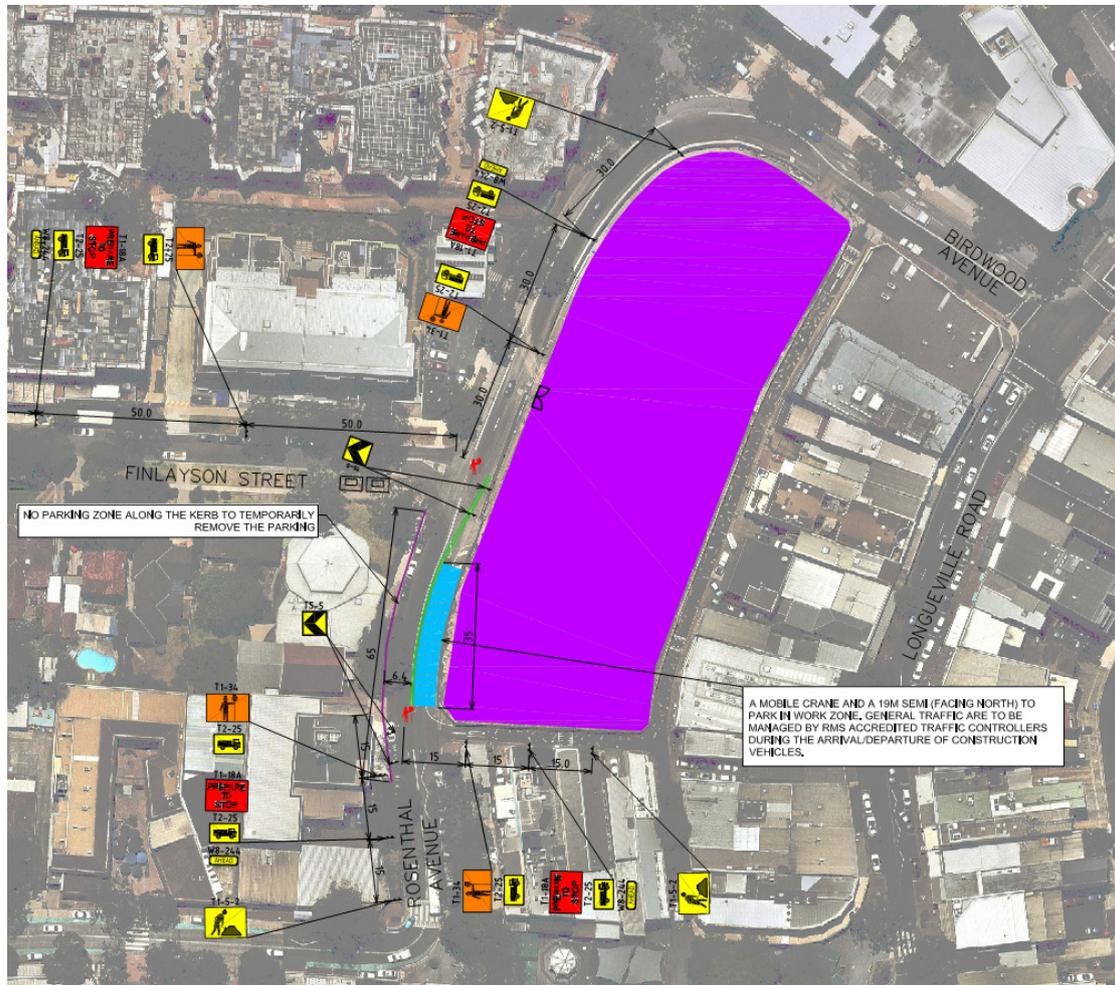

Please find a map overleaf detailing where parking changes will occur.
