NOTIFICATION OF
CONSTRUCTION
ACTIVITIES No:7

We're growing a new *car* park...

12th June 2018

Dear Resident/Business Owner

This notice is to inform you that ADCO Constructions will be working at or in the vicinity of Rosenthal Avenue for the erection of a tower crane. This will result in one lane being closed temporarily. However, traffic control will be in place at this location to manage the contraflow lane and aid traffic and pedestrian movements.

Specific works to be undertaken will include:

- Traffic management signage and controls
- Operation of a mobile crane and plant
- Installation of the tower sections, cabin, and counter weights
- Installation of temporary barriers immediately surrounding the affected area
- Temporary disruption to Rosenthal Avenue

This work is scheduled for Saturday 23 June 2018 from 7:00am till 6:00am 24 June 2018.

To ensure minimal disruption and inconvenience to businesses, road users, neighbouring properties and the public, the installation of the crane will be undertaken on a Saturday from 7:00am till 6:00am 24 June 2018. Additional traffic control will be present on the 25th of June as we re-align the hoarding along Rosenthal Avenue.

Throughout this process access to Rosenthal Lane, Birdwood Lane, Birdwood Avenue, and Finlayson Street will be maintained.

We apologise in advance that these works will result in occasional delay and disruption to vehicle and pedestrian movements on Rosenthal Avenue. Should you have an urgent enquiry regarding these works on the indicated date, you can reach Robert Turner (ADCO) on 0411 525 195.

Your patience and cooperation is appreciated while the works are underway. If you have any questions about these works, or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au

Yours faithfully,
