We're growing a new *car* park...

20th July 2018

Dear Resident/Business Owner

As the Rosenthal Project excavation nears completion, the route of departure for vehicles leaving the Rosenthal Project site has changed.

Vehicles up to 12.5m are now approved to exit the site via Rosenthal Avenue onto Finlayson Street, Coxs Lane and Birdwood Avenue to reach Longueville Road.

Please see below for the route:

This change reflects the next stage of the development which sees construction of the structure at the base level of the car park.

Vehicles accessing the site will now relate to delivery of supplies, concrete and other construction activities, rather than the larger truck and dog vehicles which you will have noticed since the project commenced.

We appreciate the opportunity to keep you informed of this amended route, your patience and cooperation is appreciated while the works are underway.

If you have any questions about these works, or would like more information about the Rosenthal Project, you can call the project hotline on 1800 ROSENTHAL (1800 767 368) or send an email to rosenthalproject@adcoconstruct.com.au

Yours faithfully,

John Gabriel
