

20 February 2020

## Dear Businesses and Residents,

This notice is to inform you that ADCO Constructions will be working in Rosenthal Avenue to commence piling works to the pedestrian lift and footbridge. Works are scheduled to commence 24 February 2020.

### What we are doing

- Installation of piles for the pedestrian footbridge and lift.
- Operation of piling rig, construction vehicles, and hand tools.

### When

- These works will commence **Monday 24 February 2020**, and occur periodically throughout the week. Works will take place during the approved working hours of 7:00am to 5:00pm.
- Please note that the duration of works may change in the event of inclement weather or for other unforeseeable circumstances outside of our control.

### What to be aware of

#### Traffic and Pedestrian Changes

- Construction vehicles and machinery will be set-up in Rosenthal Avenue (between Apple Dental and 2 Birdwood Ave).
- Pedestrian and vehicular access along Rosenthal Avenue will be maintained. Works will occupy the existing foot path on Rosenthal Avenue. Pedestrians will be safely diverted with the assistance of appropriate traffic control measures.

#### Noise and Vibration

- These works are expected to generate medium- high levels of noise and vibration. We apologise for any disturbances that may occur as a result of these works.

### Upcoming Works

- Upon completion of piling, structural activities to the lift shaft and stairs will commence. This will allow the pedestrian footbridge to be craned into position in late March- Early April 2020.
