

17 March 2020

Dear Businesses and Residents,

Due to the inclement weather experienced in recent weeks, previously schedule night works will be undertaken on Tuesday 17 March in Birdwood Lane for the continuation of paving works in the area. We apologise for any disturbances that may occur as a result of these works.

What we are doing

- Excavating and concreting Birdwood Lane (between Birdwood Cafe and Dominos) in preparation of paving to the laneways.
- Operation of a small excavator, construction vehicles, and hand tools.

When

- These works are scheduled between **Tuesday 17 March 2020**, from 5:00pm to 3:00am. All noisy works will cease at 12am.
- These works must be undertaken at night in order to maintain access for businesses that are directly accessible from the laneway.
- Please note that the duration of works may change in the event of inclement weather or for other unforeseeable circumstances outside of our control.

What to be aware of

Traffic and Pedestrian Changes

- Vehicular access to Birdwood and Rosenthal Lanes will remain closed to the public. Construction vehicles will be operational in the laneways throughout the works.
- Pedestrian access to The Canopy car park will remain open and managed by traffic control to ensure safe access at all times.

Noise and Vibration

- These works are expected to generate medium- high levels of noise and vibration.
